## Screen 1

### **Area:**

Create 2 lines approx 8 m long and 5m apart with a gate at either end on both players sides.

### **Equipment:**

Cones, poles, discs

### **Objective:**

Each player stands on one side of the cones facing each other. One player starts as the leader and the other player is the follower. The leader shimmies from side to side up and down from starting the middle. The follower mirrors the movements of the leader. The leader is trying to lose/shake of the follower and when ever they chose the leader will then make a dash for it and run through one of the gates. The follower tries to beat them through the same side gate on their side. Swap over the roles of leader and follower and keep repeating.

### **Progression:**

Perform the same exercise but have a ball at your feet
